My Lovely Friend

Wednesday, 15th November.

Hello Friends! It's Ousama with you again. This time, I want to tell you about my best and honest friend Larbi. Larbi is 12 years old. He is a handsome pupil at Abdelkarim HOUIDEG Middle School in El-Oued. He is tall and thin boy, with short dark hair and black eyes. His father is a carpenter and his mother is a housewife. He has got two brothers and one sister. Larbi and his family live in a big and lovely house. In his house there are four bedrooms, a hall, a kitchen, a living-room, and a bathroom. His room is small, clean and nice. It is between his parents' room and the bathroom and opposite his sister room.

I love my friend Larbi very much, because he is a nice person and I spend funny time with him.
