

Maria: Mom, I don't feel very well.

Mom: What's the matter? Didn't you have a good time at the birthday party?

Maria: Yes. It was a lot of fun. But now I have an awful pain in my belly and fever.

Mom: Did you eat too much food at the party?

Maria: I think so.

Mom: What did you eat?

Maria: Pizza, cake, ice cream, and potato chips.

Mom: That is a lot of food.

Maria: I also had soda, cookies, sweets, and popcorn.

Mom: Maria, that's why you have a stomach ache.

You ate too much. Why did you eat so much?

Maria: I was hungry and everything looked delicious.

Mom: Maria, I think you should lie down in your bed.
