Home Sweet Home

My name is Janet and this is my home. It is a big and lovely house in the countryside of London. It has got two floors – a ground floor and a first floor. On the ground floor there is the hall, the kitchen, the dining room, and the living room. (§ 1)

On the second floor there is my bedroom. I share my bedroom with my sister, Alice. There is also my parents' bedroom, a bathroom and the terrace. (§ 2)

My house has also got a garage where my parents park the family car, a swimming-pool and a small room where my parents keep some old stuff. (§ 3)

Around the house there is a very big garden. I love it because me, my sister and our friends have lots of fun there. In the Summer we can play hide and seek and then go for a swim! (§ 4)

I live in an old traditional house. It is in the town centre of El-Oued in the Algerian desert. It is very big. It has got two storeys with four rooms. The kitchen, the living room and the dining room are downstairs, on the ground floor. The bedrooms and the bathroom are upstairs, It has also three balconies, a terrace, a garage.

In the first floor, you can find my room. It is on the right side next to the bathroom. I shared it with my brothers. It is small but nice. There are beds, a wardrobe, a shelf for books, a poster, a bedside table with lamp on it. It is always clean and well organised.
