My House

My name is Ayoub. I live with my parents and my sister in a beautiful and spacious house. It has two floors and many comfortable rooms that make our home warm.

Downstairs, there is a hall, a kitchen, a living room, a dining room, and a toilet. In the living room, there is a large cozy sofa, a modern TV, an armchair, and a wooden coffee table. The kitchen is bright and well-equipped; it has a big fridge, a cooker, a sink, and many cupboards. In the dining room, there is a big table with six chairs where we enjoy our daily meals together.

Upstairs, there are three bedrooms, a bathroom, and a quiet room for Qur'an recitation. My bedroom is next to my sister's room. In my room, there is my bed, my desk, a lamp, and a bedside table. My parents' room is in front of mine. It has a big bed, two bedside tables, and a mirror. Behind the house, there is a garage where my father parks his car. In front of it, there is our beautiful garden full of colorful flowers and green plants.

My favourite room is the Qur'an recitation room because it is a peaceful and spiritual place. It has a soft prayer mat, a small bookshelf with many Islamic books, and a window that brings in gentle sunlight. It is the perfect room for reading the Qur'an, making dua, and finding calm after a long day.
