Second term English exam

Text:

My town

I live in Newquay. It's a small town in the south of England. It has got great beaches and it is the best place to surf in UK. There are lots of surf schools where you can learn how to surf. I go surfing with my friends every weekend. When I go surfing, I wear swimwear like board shorts. In daily days I wear jeans, t-shirts, sweaters and trousers. In occasions I wear formal clothes like a matched suit with tie. In my town There are lot of shops. If you like shopping, go to Carrer Major (High Street) where there are a lot of boutiques. You can find everything there. There are also two shopping centers, a Vital and Plaza Major. Cargo is a fantastic restaurant in Newquay beach where you can taste the traditional food such us chicken pie.
